CLAIRE LOUISE HICKORY Page 3 girls are nearly as much an institution in England as Playmates are here. This BOL cover girl not only enjoyed her cheesecakey day in the *Sun* but had the distinction of being named its Page 3 "Girl of the Year." *Byron Newman, 3.*

CATHERINE SUGG Vital stats: 5'8", 115 pounds, 36-26-34, 25 years. *Kelly Scott, 4, 5*

RACHEL JÉAN MARTEEN Miss August '95 was once ID'd by Chicago newspapers as Shannen Doherty while attending a local golf tournament. Flattering mistaken identity, but not likely to be repeated since her *PLAYBOY* exposure. *Louise Freeman, 6, 7.*

TIFFANY RICHARDSON Fresh from her *Wet and Wild* cover, Tiffany admits that her childhood was characterized by one half of that NSS title: "In a word, wild!" *Mizuno, 8, 9.*

HEIDI MARK She claims she's "goofy and childlike," but Heidi had her grown-up act together enough to nail down regular and recurring parts in *Married with Children*, *Red Shoe Dances*, *Silk Stalkings*, *Fortune Hunter* and *The Young and the Restless*. *Kelly Scott, 10-11.*

TONY KEI Our recent USC graduate pops up for a second BOL visit. *Garrett von Ulfeld, 12, 13.*

MELISSA BREWER A model since age four, the now 25-year-old Melissa claims over 100 pageant titles, including Miss Alabama 1993. But she happily substitutes the runway for the raceway, where she's a certified short-track NASCAR driver. *Jim Hancock, 14, 15.*

PATRICIA FORD Back by ever-popular demand, our 1996 Supermodel winner makes her last appearance before the results of this year's Readers' Choice poll are revealed in the January/February BOL. The ballots are now sealed in a mayonnaise jar on the front porch of Funk & Wagnall's. Stay tuned to see if she retains her title. *Sean Bolger, 17, 18-19.*

HOLLY WITT She must be Texas' prettiest dental hygienist. *Mizuno, 20, 21.*

MORENA CORWIN The oldest of four children, Miss September '92 enjoys a close relationship with her siblings and mom. Vital stats: 5'8", 120 pounds, 35-24-34. *Mizuno, 22.*

NATALIE DUGGAN A great day: "Having breakfast by the ocean, opening up the mail to find some checks I forgot about, going for an audition and getting the job, sitting under a tree studying the script for the starring role in next summer's blockbuster!" *Kelly Scott, 23.*

LEE ANN PEARCE This is Lee Ann's BOL debut. *Gen Nishino, 24-25.*

RACHEL TER HORST Born and raised in Holland, this Dutch treat loves to party. Her last NSS appearance was in *World Wide Nudes*. *Byron Newman, 26, 27, 86, 87, 88-89.*

TERI CLARK Most recent project: Warner Bros. *The History of the Bra* video. *Byron Newman, 28-29.*

CARRIE WESTCOTT Despite the warnings, September '93's Playmate says "sunshine makes me happy. I worship it. I'm a sun goddess." *Mizuno, 30, 31.*

SAMANTHA LAURENT When asked who she would like to be stuck in an elevator with, Samantha said—no kidding—Garfield the Cat. *Byron Newman, 32, 33, 34-35.*

JOANNE GUEST This is Joanne's eighth NSS appearance. *Byron Newman, 36, 37.*

WINDY RENÉ CALLAHAN A ton of calendars, lingerie catalogs and swimsuit promotions have marked Windy's career. She's still waiting for that big acting break. *Kelly Scott, 38-39.*

KELLIE PRIESTLEY As a kid, this 21-year-old Brit was "cheeky, bold, friendly and headstrong." She describes herself today as outgoing and funloving. *Byron Newman, 40, 41.*

DAWN LOXSTON A former tomboy, Dawn now prefers dancing and swimming to her childhood predilections for football and fighting. *Byron Newman, 42, 43, 44-45.*

AMELIA DEL BARGO This stunner lives in and works out of London. *Byron Newman, 46, 47.*

SARA WAKEFIELD When this New Yorker isn't modeling, she makes mosaic tables or throws caution to the wind by bungee jumping or skydiving. *Kate Walker, 48.*

NICOLE WOOD Miss April '93's idea of a dream date is to "fly to the Grand Canyon, get a pair of horses, sleep under the stars and live like cowboys for the weekend." This buckaroo is 26, 5'6", 108 pounds, 36-23-34. *Gen Nishino, 49.*

STACEY LEE COLDREN Last seen in 1995's *Playboy's Blondes* NSS, Stacey makes her *Book of Lingerie* debut in this issue. *David Chan, 50, 51.*

JOANNA ROBINSON Nineteen-year-old Joanna is a London-based model/actress. This marks her second BOL appearance. *Byron Newman, 52-53, 58-59.*

ANGELA PENTTINEN Born in Guyana, Angela now makes her home in New York City, where last fall she landed a part in the off-Broadway play *Heyday*. *Gen Nishino, 54, 55.*

ELISA BRIDGES A perfect day for this Floridian begins by sleeping late, followed by nude sunbathing, picking flowers and swimming with dolphins. *Byron Newman, 56, 57.*

SUSAN RENÉE HEFLIN Leisure time is often spent walking or biking in the Maryland countryside for this 23-year-old model and aspiring actress. *Gen Nishino, 60, 61.*

ECHO JOHNSON Miss January '93 checks in at 5'7", 114 pounds, 36-24-35, 22 years. She's turned on by dancing, hot bubble baths and soft kisses behind the ear; she's turned off by rude people, snotty girls and pollution. *Kelly Scott, 68, 69, 70-71.*

SHANNON LEAHY This New Yorker's ambitions are (take a deep breath now) to "make a lot of money modeling, become a Playmate, finish college, write a book, open my own business, design and build my own home and travel the world." *Gen Nishino, 72.*

PATTY BRETON Her stint as an L.A. Raiders cheerleader helped launch an acting career that includes TV commercials and a part in Harrison Ford's *Sabrina*. *Kelly Scott, 72.*

TINA CIMMINO Though she lives in Las Vegas, Tina avoids the lure of the casinos. She's placing her bets on a successful modeling career. *David Mecey, 73.*

MELISA ALLEN Cowboy hats, fast cars and men from Texas are turn-ons; mean people, bad language and bad manners are turnoffs. *Jim Hancock, 73.*

STEFANIE HASTINGS *The Girls of Summer '95* and the *Wet and Wild* (currently on sale) were Stefanie's introduction to NSS readers. *David Mecey, 74, 75.*

JENNIFER PEDERSEN From an unabashed tomboy Jennifer grew into an "independent spirit" who spends her free time sky diving, surfing and biking. *Gen Nishino, 76-77.*

JODY HOSKINS This 5'8", 36-24-36, 120-pound Chicago native enjoys reading, camping, fishing and target shooting and describes her ideal man as "Thor, God of Thunder, Legend of Love." *Jim Hancock, 78, 79.*

DANELLE FOLTA Proudly argumentative, our April '95 Playmate is also fiercely determined. "If you say that I can't do something, that's my sign to go for it. I'll prove you wrong." She's 5'10", 124 pounds, 34-24-35. *Jim Hancock, 78, 79.*

CRISTIN FITZPATRICK Twenty-three-year-old Cristin is a graduate student in behavioral neural science at the University of Texas. *Marti Griffin, 80, 81.*

VIOLET HAZE Holding degrees in biology and psychology, Ms. Haze makes her home in Atlanta and is a first-time NSS model. *Marti Griffin, 82, 83.*

SHANNON SORRELLS Her passion for tough-guy sports such as boxing, football and shooting belie her self-description: "I'm the sweetest girl you will ever meet." And noticeably female at 5'6", 108 pounds, 34-24-34. *Marti Griffin, 84-85.*

CARRIE FLASKA A Michigan native, twenty-three-year-old Carrie now lives and works in New Jersey. This is her first BOL appearance. *Gen Nishino, 90, 91.*

The End
